Profile

Motivated career switcher with hands-on experience building real-world applications and a strong foundation in backend development. Currently developing a full-stack multi-tenant system using TypeScript, NestJS, and PostgreSQL under the guidance of a senior mentor. Known for being proactive, fast-learning, and collaborative — ready to contribute to professional teams and grow as a software engineer.

Skills

- **Languages:** TypeScript, Python, JavaScript, C, SQL
- **Frameworks/Tools:** NestJS, NextJS, Flask, Git, PostgreSQL
- **Soft Skills:** Fast Learning, Teamwork, Communication, Problem Solving

Projects & Experience

Devomart Inmobiliaria | Barcelona
